The image shows two overlapping windows. The background window is the CorelDRAW Graphics Suite X7 activation screen. It displays the product name, a contact link for customer support, and instructions to enter an activation code. The activation code is shown as a sequence of boxes: XAJZ - GN35 - TT4Y - P2DH - 79FW. Below this, there is a text box containing 'DR17R74-PASRSD4-U5AKVUK-J354EAE' and an 'Activation Code' field with '017002 30' entered. A 'Continue' button is at the bottom right.

The foreground window is the 'Corel Products Keygen' tool. It features a banner for 'X-FORCE SMOKING THE COMPETITION!'. It has a dropdown menu for 'Select a product' set to 'CorelDRAW Graphics Suite X7'. Fields for 'User Name', 'Serial Number' (DR.17R69-A2HWJXJ-MW29W4F-L6TZPSS), and 'Installation Code' are present. An 'Activation Code' field is empty. At the bottom, there are two buttons: 'Generate Serial Number' and 'Generate Activation Code'.

Red annotations with arrows provide instructions:

- 1. Type This Code Here (points to the Installation Code field in the Keygen tool)
- 2. Click On (points to the 'Generate Activation Code' button in the Keygen tool)
- 3. Activation Code Will Appear (points to the empty 'Activation Code' field in the Keygen tool)
- 4. Now Copy That Activation Code And Paste Here (points to the 'Activation Code' field in the CorelDRAW window)
- 5. Click On Continue (points to the 'Continue' button in the CorelDRAW window)
